To a sweet little girl.

Dwayne

Steph,

Well this is kinda hard for me to write because I can't believe this is last annual that I'll ever sign. I can't even believe this will be my last year in school.

Just remember all the good times we had in cheerleading and at the games. Remember all the cute guys we saw & chased. I'm really gonna miss all that crazy junk we did and I hope ya'll still have some fun.

And remember all the guys you helped me get, like BENET, all the times we rode in front of his house, the times you called him for me. Thanks, cause when I got him I got the best.

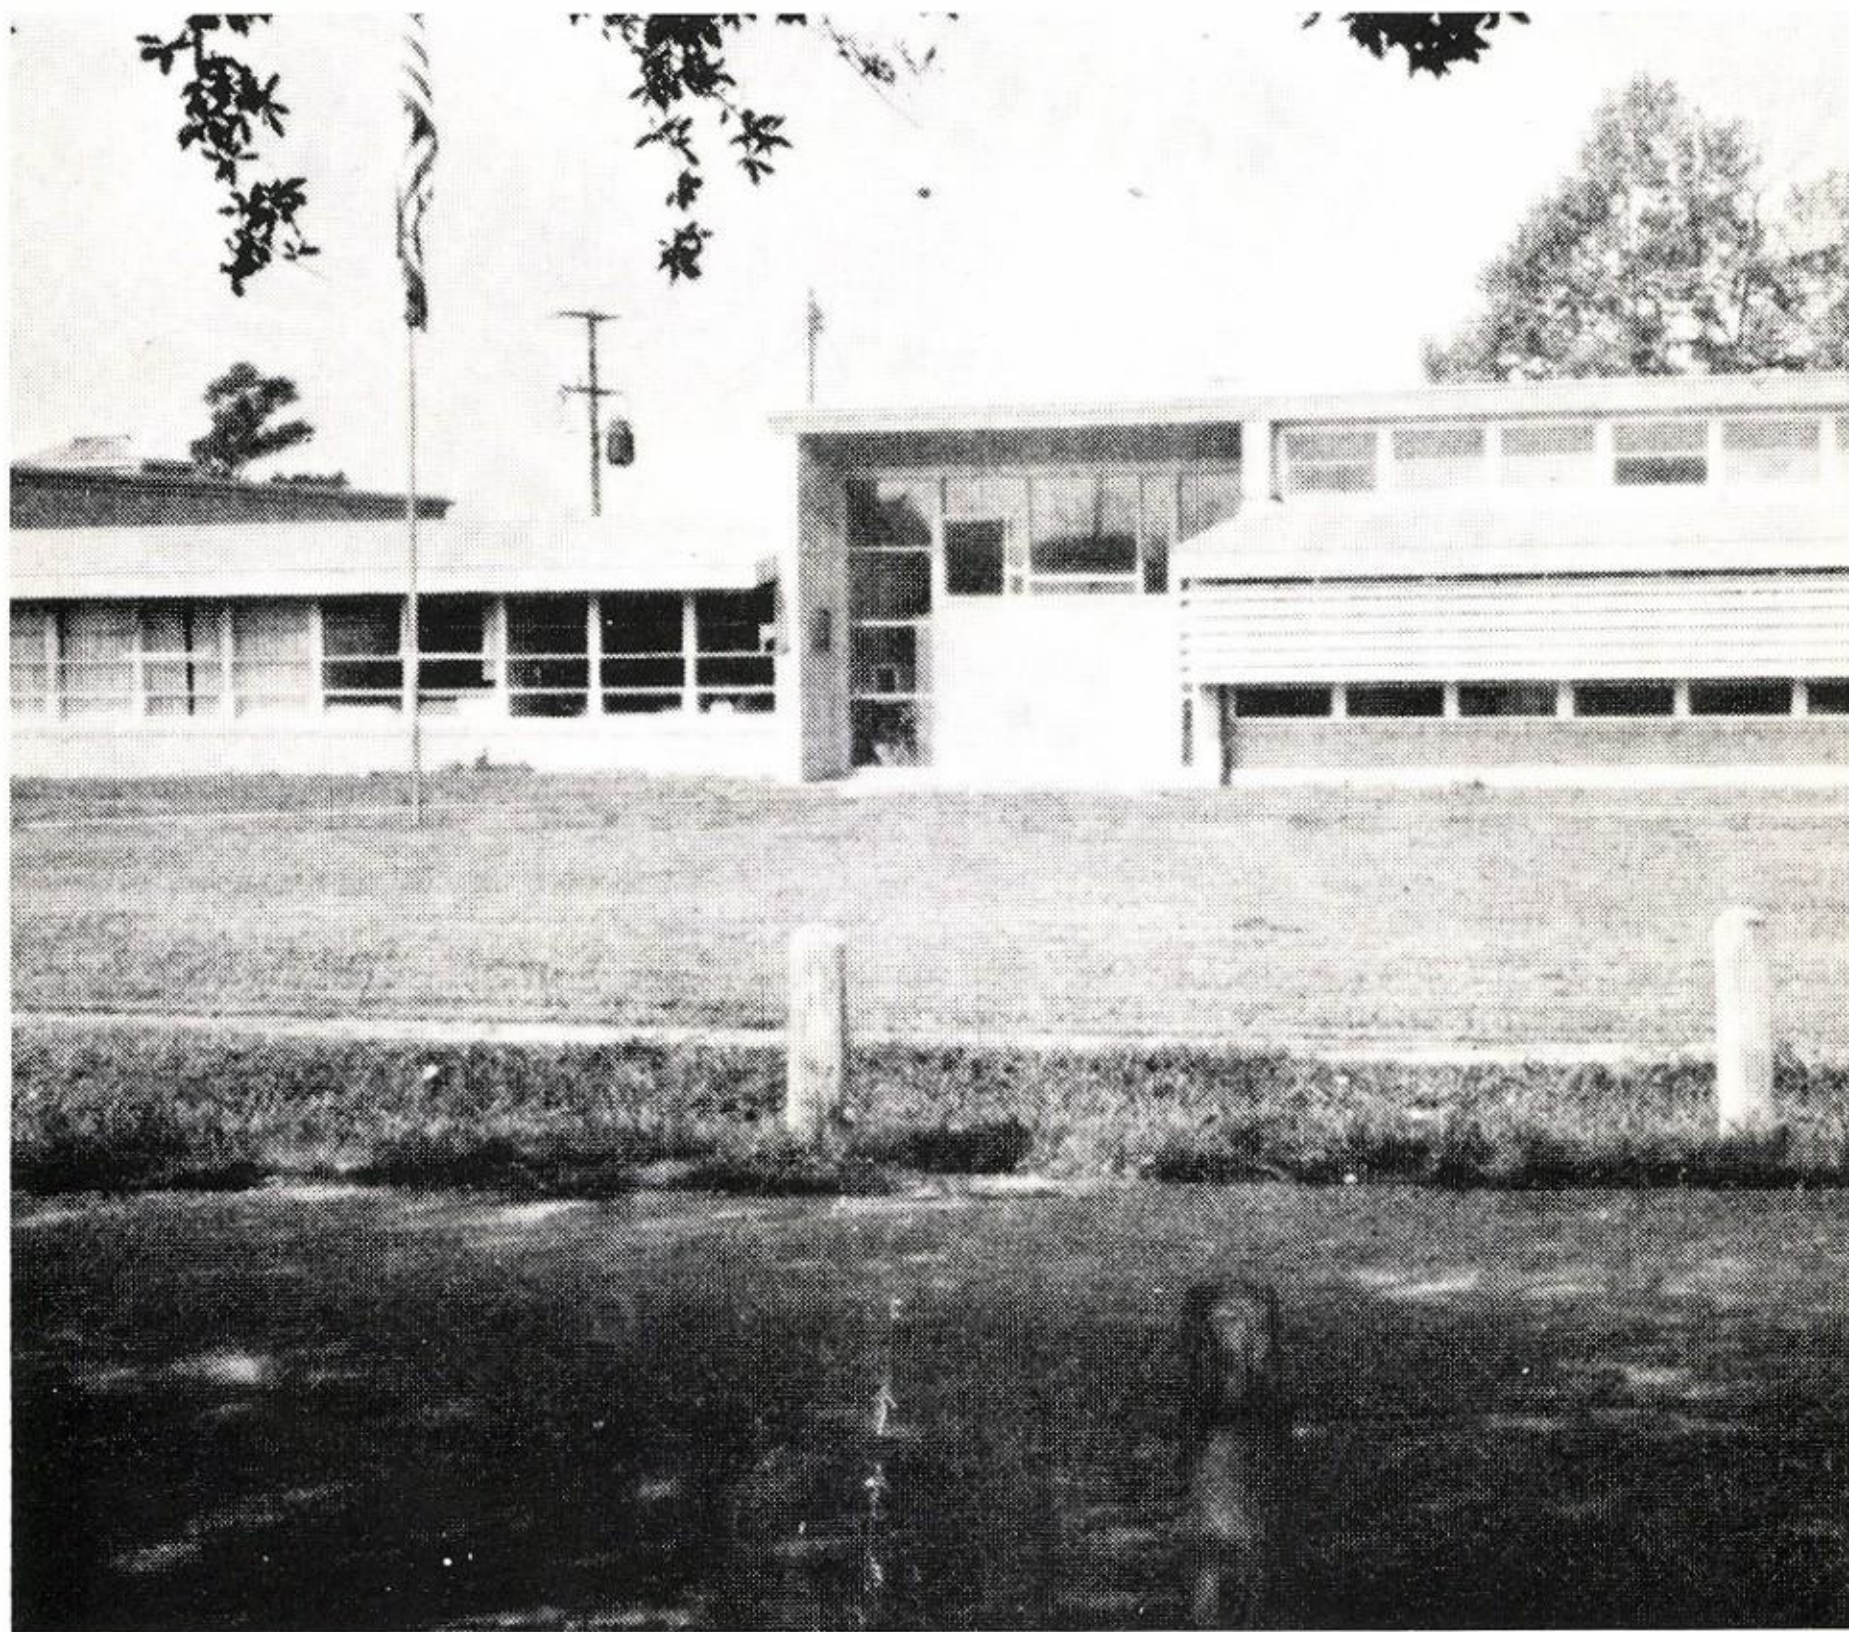

Well, I'm really gonna miss you and I'm really gonna miss telling my problems to you. I really have grown close to you this past year and I love you as a sister.

Well, I think I wrote enough. Gotta go. Be sweet and always remember me cause I'll never forget you.

Love ya Sis,
Lisa

Editor's Message

Now is the time for us to look back upon our years at Fenton High. I hope your memories are as memorable as mine.

I wish to thank the staff for helping make this annual a success. We are all proud of it and hope you will be too.

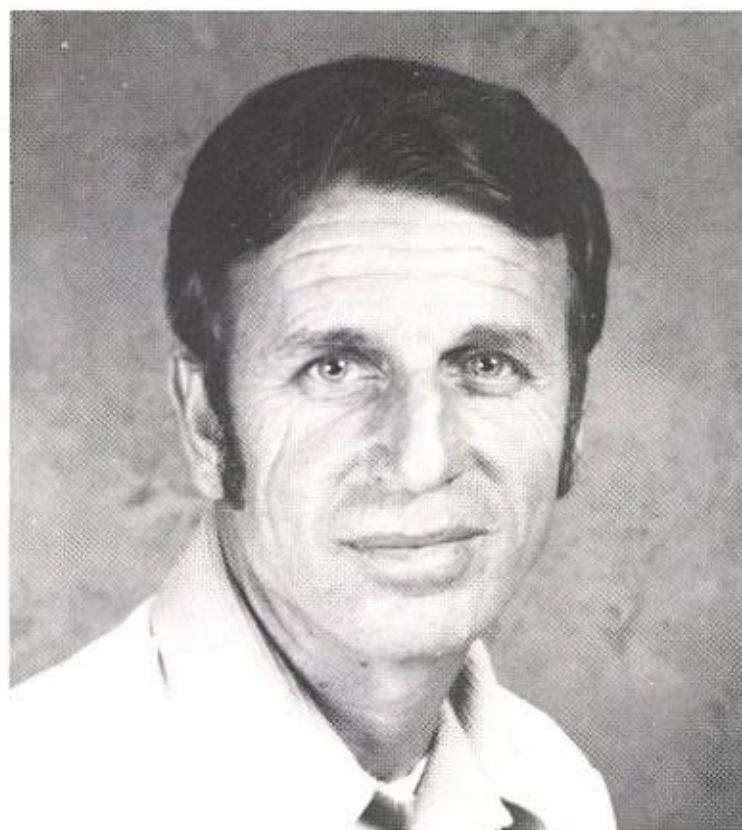

Special thanks go to our advisor, Mr. Buck, for the time and patience he has given us.

Thanks also goes to Mrs. Kennedy for being our photographer.

I would personally like to thank the Faculty for their help and all the students at Fenton High for their time and help.

Sincerely yours,

Darlene Bebee

We would like to dedicate our annual to Coach Richard McNabb and our Boys Varsity Basketball Team - to Coach McNabb for his coaching ability and for leading our boys to State and to our boys for playing their best ball and winning State. Both Coach McNabb and the team put in long, hard hours on the court practicing. We are proud of them and are proud to dedicate our annual to them. They deserve it.

Dear Class of 1976:

As we look back on 1976, with the celebration of the 200th birthday of our great nation, we should be more aware than ever of how fortunate we are to live in a land that offers so many freedoms and so many opportunities.

You have taken advantage of your opportunity to acquire your high school education and you are now ready to move on to other endeavors. I urge you to take advantage of the future opportunities open to you, seek success and find happiness.

The faculty of Fenton High School and myself wish each of you the best of luck as you go your separate ways.

Sincerely yours,
